Importer: Ahoy Norge AS, Hangarveien 21B, 3241 Sandefjord, Norway - Phone: +47 359 44 000

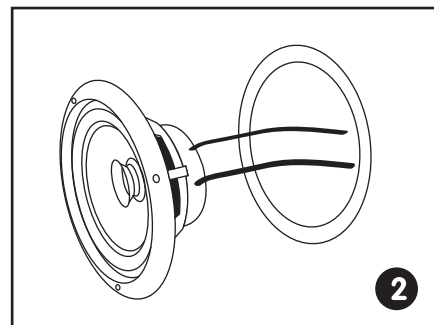

Complete.

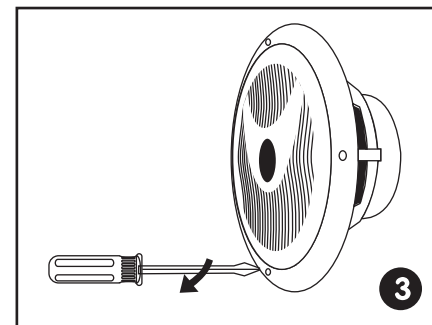

### INSTALLATION GUIDE

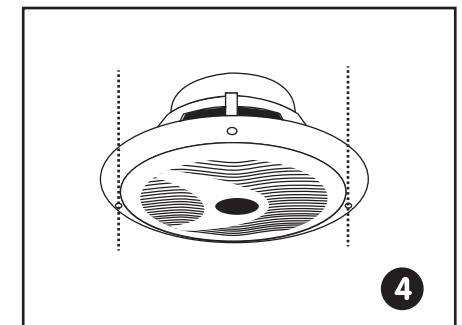

Cut the drywall.  
Note: Always allow at least one-half inch between a wall stud and the speaker cutout or the locking tabs will not be able to swivel into place.

Connect the speaker wires to the speaker.

Screw down each of the four Phillips head screws. The locking tabs will swivel into place and secure the unit to the rear surface of the drywall. Put in the strips of adhesive to secure the grille.

Replace the metal grille.
